

Decoustics® Impressions

A perfect blend of innovation and design freedom, Decoustics Impressions is a ceiling and wall solution that uses fade-resistant digital printing technology to offer 10 hyper-realistic solid wood finishes in non-repetitive patterns.

With impressive acoustical performance properties, it elevates aesthetics in any interior space while enhancing the well-being and productivity of building occupants.

Valued for durability and ease of maintenance, Decoustics Impressions has a lightweight construction that facilitates effortless installation and handling – seamlessly integrating with the Ceilencio® Ceiling Suspension System for convenient plenum access.

Features & Benefits

- Fully-engineered product delivered to site ready for installation
- Superior solid wood look finishes, random matching
- NRC up to 0.85
- Available with low VOC Components
- Climate and fade resistant
- Washable and Disinfectable with chemical cleaners/sanitizers
- Custom sizes, shapes, forms, and curving capabilities
- Matching painted panel edge
- Maximum panel sizes:
 - Up to 48" x 96"
 - Larger sizes may be available, please contact your sales representative
- Ceiling application and wall application above head height

WARRANTY

Standard 1-year Limited Warranty
for Impressions.
2-year Warranty for Clean Air Impressions.
Full warranty information can be found at
certainteed.com/warranty

Acoustical Performance

Additional sound absorption can be achieved by increasing
the thickness of the panel or adding an acoustical backer.

MOUNTING TYPE	NRC
E400	Up to 0.85

Acoustical tests performed in accordance with ASTM C423
standards. Test reports available upon request.
