9/16" WALL ANGLE

2" WALL ANGLE

7/8" FLEX WALL ANGLE

9/16" FLEX WALL ANGLE

Create a smooth transition from ceiling to walls with wall angle products. Choose standard wall angles for popular interior designs or incorporate shadow moldings along perimeters for a reveal-edge look.

FEATURES AND BENEFITS

- Variety of wall angle products lends design and installation flexibility
- Standard wall angles to complement popular interior designs
- Shadow moldings produce a reveal-edge look at perimeter installations
- Aluminum wall molding available for high-moisture applications
- Seismic-compliant options
- High recycled content
- Available in Standard White and Black. Additional color options are offered through our Post-Paint process. See the Visual Options - Suspension Systems page for color option details.
- WA14-14SAL available in Standard White only. Additional color options are offered through our Post-Paint process.
- Flex Wall Angle available for ceilings terminating at curved walls or surfaces.

METAL CEILINGS

For Special color options, contact your local sales representative.

The colors shown have been reproduced with all the fidelity possible with commercial printing processes. Also, a specific color may appear different on one class of product than another.

When placing an order for either Standard or Special colors, please use the following naming process proceeding each catalog code:

Standard face paint: ST + 3-letter color code
 Standard 360 paint: 3T + 3-letter color code
 Special face page: SP + 3-letter color code
 Special 360 paint: 3P + 3-letter color code
