Lyra PB Tegular in Toffee Chestnut

Lyra Square Lay-in panels with Prelude 15/16" suspension system

Control acoustics and create a monolithic look with the smooth, drywall-like visual of Lyra® PB.

KEY SELECTION ATTRIBUTES

- DesignFlex® options include shapes, made-to-order sizes, and colors available to ship in 3 weeks
- Superior sound absorption: Lyra® PB panels provide up to 0.95 NRC
- Lyra PB panels are part of the Sustain® portfolio and meet the most stringent industry sustainability compliance standards today
- Mold- and mildew-resistant surface
- Lightweight panels offer fast and easy installation on standard 15/16" suspension system
- Sag-resistant: perfect for high-humidity applications
- Fast lead times
- Axiom® Trim Options available for cloud applications
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim

- 30-Year Limited System Warranty against visible sag, mold, and mildew
- 10-Year replacement panel available for items 8372PB and 8373PB

**10-YEAR
REPLACEMENT PANEL
AVAILABILITY**

COLORS Due to printing limitations, shade may vary from actual product.

REALISTIC WOOD LOOKS, SUPERIOR ACOUSTICAL CONTROL

\$\$\$\$

Lyra PB Square Tegular panels in Honey Oak with 9/16" Suprafine® XL* suspension system in Hay

Lyra® PB wood-look panels provide the natural beauty of large format wood ceilings with superior sound absorption and sustainability attributes without the expense.

Wood-look panels:

- Achieve the look of large format monolithic wood with lightweight, sag-resistant panels
- Have superior acoustical performance (NRC 0.95) without perforations
- Are fast and easy to install on standard suspension systems

MADE-TO-ORDER WOOD-LOOK VISUALS All Lyra PB Wood-Look Visuals for square lay-in items have a 1,000 SF minimum order quantity. All quotes must be sent to ABPSpecials@armstrongceilings.com

PHYSICAL DATA
Material Fiberglass with acoustically transparent membrane
Surface Finish Acoustically transparent membrane with factory-applied latex paint
Fire Performance Class A: ASTM E84 and CAN/ULC S102 surface burning characteristics. Flame Spread Index of 25 or less. Smoke Developed Index of 50 or less (UL® labeled – excludes item 8732 and 8752).
ASTM E1264 Classification Type XII, Form 2, Pattern E; Fire Class A
Humidity/Sag Resistance HumiGuard® Plus ceiling panels are recommended for areas subject to high humidity, up to, but not including, standing water and outdoor applications.
Anti-Mold/Mildew Ceiling tiles with BioBlock® performance resist the growth of mold and mildew on the tile surface.

VOC Emissions	PRODUCT CERTIFIED FOR LOW CHEMICAL EMISSIONS
GREENGUARD Gold Certified Third-party certified compliant with California Department of Public Health CDPH/EHLB/Standard Method Version 1.2, 2017. This standard is the guideline for low emissions in LEED®, WELL Building Standard®, Living Building Challenge® (LBC), CalGreen Title 24, ANSI/ASHRAE/USGBC/IES Standard 189; ANSI/GBI Green Building Assessment Protocol.	UL COM/GG UL 2818

High Recycled Content
Contains greater than 50% total recycled content.
Insulation Value
Lyra: R Factor – 4.4 (BTU units); R Factor – 0.76 (Watts units)
Design Consideration
Physical product samples for standard and custom colors are available upon request. Please refer to the physical product sample prior to making a final selection. While we strive to ensure exact color matches, various factors such as differences in materials, texture, substrate porosity, painting processes, lighting, and observer subjectivity can all affect how paint colors appear on ceiling and wall panels, suspension systems, and trim products. Due to these and other differences, ceiling and wall panels, trim products, and suspension systems with the same color name will coordinate but may not be an exact color match. Product is dye-lotted. Order sufficient initial quantities and attic stock to minimize possible color variation.

Design Consideration: Wood-Look Panels
All wood-look panels are produced with wood grain parallel to the panel length. Wood-look visuals are not dye-lotted, but are designed to mimic slight color variations as seen in real wood.
Cleaning and Disinfecting
Cleaning and CDC-recommended disinfecting options available on armstrongceilings.com/cleaning
30-Year Performance Guarantee & Warranty
When installed with Armstrong® Suspension System. Details at armstrongceilings.com/warranty
